ORDER:-

The Vigilance work in Panchayati Raj Engineering Department is being looked after by one Division and 2 Quality Control Divisions and the Quality Control work is confined only to Rural Water Supply materials and hence there is a need for reorganisation of Vigilance and Quality Control Wing so as to have a proper control over the works programme both Rural Water Supply and other programmes involving Roads, Buildings and Minor Irrigation.

2. Government, therefore, after careful consideration, decided and hereby order the reorganisation of the Vigilance and Quality Control Divisions as follows with immediate effect:

1. Quality Control Division at Cuddapah:

3. The workshop division at Cuddapah is converted into Quality Control division and one of the Deputy Executive Engineers, is kept under the control of the Executive Engineer, Quality Control Division, Cuddapah. The another Deputy Executive Engineer will continue to look after the workshop.

2. Quality Control Division at Visakhapatnam:

4. The workshop Division, Vijayawada, is converted as Quality Control Division and its headquarters will be at Visakhapatnam. Out of the two Deputy Executive Engineers at workshop, one Deputy Executive Engineer shall work under the control of Executive Engineer, Quality Control with Headquarters at Visakhapatnam and the another Deputy Executive Engineer will look after the workshop at Vijayawada.

3. Quality Control Division at Warangal:

5. The Vigilance Division at Hyderabad is shifted to Warangal and it is converted as Quality Control Division with headquarters at Warangal.
