

Sir,

It is to inform that the 'Teleconferencing & IVRS' solution which was executed by AP Technology Services (APTS) is transferred to AP State FiberNet Ltd (APSFL), as per directions of ITE&C department. In this regard, APSFL is offering this solution with the following tariff in prepaid model.

Tariff & Payment details (including due date):

Tariff for usage of 30 sec pulse: 30 paise + GST (18%). Please refer to ivrs.apsfl.co.in for more details about the service.

Based the usage of your earlier account, an advance amount has to be paid to APSFL in the form of NEFT/RTGS transfer to account mentioned below.

Owing to request from existing users, APSFL has decided to reactivate the services for existing users immediately for 2 days (till 15th March 2019) and services shall continue to be active subject to receipt of above advance payment.

Monthly invoice shall be generated at the end of the month based on actual usage along with revised advance payment for subsequent period.

Mode of Payment:

Payment shall be made to APSFL in the form of online transfer (RTGS/NEFT) to the following account:

M/s Andhra Pradesh State FiberNet Ltd,
Account No: 085411100002421
IFSC CODE : ANDB0000606
Andhra bank, Main Branch, I Town, Vijayawada
